MESSAGE

DERMA MeDeCON 2020 INTERNATIONAL DERMATOLOGY CONFERENCE & EXHIBITION First edition held on January 31st & February 01st 2019 was a grand success with more than 250 Dermatologists attending for two days.

Second edition of DERMA MeDeCON 2020 hosted by the vibrant team of Dermatologists of Association of Kerala Medical Graduates (AKMG Emirates) and a group of Dermatologists practicing in UAE, was eagerly awaited by those who attended last time plus a host of others who heard from those who attended about the quality of the event. We decided to make the second edition of DERMA MeDeCON 2020 a three-day event, the first day 26th February, Wednesday being dedicated for four workshops and the next two days for CME. The congress is a true celebration, an academic event of the best of minds in the field. DERMA MeDeCON 2020 is truly international with participating delegates, faculties from around the world.

The venue of the conference Radisson Blu, Sharjah located close to the International airport was chosen carefully and has all facilities to cater to a conference of this magnitude.
